

## **Annual Easter Fair at Roselands**

Saturday 19<sup>th</sup> March saw families, friends and the local community enjoying the school's annual Easter Fair where the dedication and organisation of the Friends of Roselands was rewarded with a stunning profit of over £4000. Many visit this annual event who came to the school years ago, often over two generations. They are serenaded by members of the school's orchestra as they arrive. A popular feature of our annual fair is the food cooked and served by our team of regular kitchen staff. Money raised helps to pay for many items which enrich the broad and varied school curriculum for all. It also supports the funding of transport for regular trips and outings related to work in the school.

The current and retired Chairs of Governors shared the task of judging the art competition – designing a crown to celebrate the Queen's 90<sup>th</sup> year – The winners then led a parade of the children wearing their crowns, as can be seen in the picture. The fire engine in the background visited for the children to climb on and learn about safety at home. The Hoddesdon Owls Girls football club provided football scoring challenges.
