Janette Van Der Veen

Helen Ledster

Please feel free to approach any of the above FORS team with any comments, queries or ideas you may have or leave a message via the school office.

We have several parents who feel that although they are unable to commit to joining FORS, they are keen to help at events and we therefore hold a list of helpers which we use when an extra pair of hands may be required. If you would like to be included in our list, please leave your name and contact details with the school office.

We have had another amazing year of fundraising and will shortly be sharing with you the many events organised and the fantastic amount of funds we received which reflects the amazing support you have given us. We will also advise how some of these funds have been spent.

Dates for your diary

- Friday 13 November 2015 - Disco for all pupils at Roselands. Letter to go out to families first week back after half term.
