

A NOTE TO ALL FAMILIES WHOSE CHILDREN ARE COMING IN TO SCHOOL Friday 8th Jan. 7am

Herts Catering Ltd are able to offer any pupils who are currently in school during the day a packed lunch for free. There will be no meals charges set up on Wisepay from the beginning of this term, until further notice. This is likely to continue throughout the lockdown period and we will give you notice if anything changes. Children who are bringing their own lunch can change to this next week if you send an email to admin at any time before 9am Monday morning. They do need to stay with one option (home or school) unless we have an email with 3 days notice because of the food orders.

It is not possible for them to offer any hot lunch options. When the registers are taken in the mornings children who are having a school packed lunch need to choose ham, cheese or tuna. It does not need to be the same option of filling every day.

The fruit and veg scheme has currently stopped and they have not yet indicated if further deliveries will be made. Please send in a healthy snack for mid-morning and definitely no nuts please.

Coolmilk deliveries have also stopped at the moment and we are awaiting to hear of their plans.

We are proud of the way the children are working and behaving on site and their adaptations to the organization of their classes and activities.

We are trying to be as flexible as we can be with the days you need them to be in the building and for many that is a full week. In order to organize home learning as well as that in the building and keep them running in a structured way following our curriculum plans we need to know if there are any changes to be made to the following week by 9am on a Friday morning.

If we don't hear we will assume the same will be repeated for the next week (that saves extra emails)

If there are differences you are aware of please email admin by 9am on the Friday morning for the next week.

If a child is not going to be in on a day we are expecting them please leave a message on the school absence line with a reason for the absence, so our admin don't need to ring you to find out.

PLEASE DO NOT SEND A CHILD TO SCHOOL WITH ANY ILLNESS OR TEMPERATURE.

IF ANYONE IN DIRECT CONTACT WITH YOUR CHILD HAS COVID SYMPTOMS AND IS AWAITING A TEST RESULT PLEASE INFORM THE SCHOOL AND KEEP THEM AT HOME UNTIL THE RESULT IS RECEIVED.

IF THERE HAS BEEN DIRECT CONTACT WITH ANYONE TESTING POSITIVE THE ISOLATION PERIOD OF TEN DAYS MUST STILL BE ADHERED TO, EVEN IF THE CONTACT HAS A NEGATIVE RESULT.

THANK YOU FOR KEEPING TO THE HEALTH & SAFETY CODES OF CONDUCT

Jane Carson
