

**To all our families UPDATE and REMINDERS – THE LAST TWO WEEKS OF TERM 10<sup>th</sup> July 2023**

Please can all children years 1 – 5 have **PE kit and outdoor footwear** for PE in school every day this week. Ash & Beech keep to same arrangements as usual.

PE kit will all be sent home with children this Friday, so they can arrive dressed ready for sports morning – NEXT MONDAY 17<sup>th</sup> July, arriving at normal time. All should have now returned a slip to each child's teacher stating what they are doing after the lunchtime picnic. Whilst we make use of all the shelter we have the children should have sunscreen applied before school and bring hats to wear.

**Music Assembly** invitations have already been sent out. PLEASE USE FRONT ENTRANCE FOR ALL.

|                            |         |                                |
|----------------------------|---------|--------------------------------|
| Monday 10 <sup>th</sup>    | 10.15am | Guitar assembly                |
| Wednesday 12 <sup>th</sup> | 9.30am  | Singing, cello and bass        |
| Wednesday 12 <sup>th</sup> | 1.15 pm | Violin assembly                |
| Tuesday 18 <sup>th</sup>   | 9.00 am | Recorder assembly – all year 2 |
| Wednesday 19 <sup>th</sup> | 11.15am | Piano assembly                 |

All families who have requested for their children to start **learning an instrument** in September should have received an email with further details.

**Annual reports** and related paperwork, together with our school organization for September, will be sent in envelopes 'To the parents of ...' with each child at the end of Wednesday this week. Within the envelopes there are papers we ask for you to return before our open evening next Tuesday.

Our year six children will receive their envelopes on Friday as there is a delay this year in the school's receiving SAT results, following the Coronation Bank Holiday delaying the start of SATs week.

We send one envelope for each child and ask that you open it at home. We emphasise to the children it is addressed to parents and not to them. If it is impossible for your family to share it between both parents please email our office on [admin@roselands.herts.sch.uk](mailto:admin@roselands.herts.sch.uk) before midday Tuesday, so we make a second copy, which we will ask to be collected in person from the office.

Thursday 13<sup>th</sup> July, this week, is the **Hertfordshire transition day**. All year 6 pupils are invited to attend their new secondary schools. They will have had direct contact from the secondary schools regarding timing and organization. All our pupils from EYFS to year 5 will start in their usual classes, at normal times, and then have some time in their new rooms with the staff they will be with from September, so we have our own transition day. The children will host their families to meet the staff and see their new rooms next Tuesday at our Open Evening. New Intake children, who will be starting in September, will visit their new classes during the morning, with their parents.

We appreciate the importance of the transition process from class to class, aiming to make it as smooth as possible. Our staff are currently sharing knowledge of pupils they have taught with each other. Where we know children may find the process particularly tricky we have specific support in place. Please contact us if there is anything further you wish to discuss.

**Clubs this week:**

Last orchestra, netball, tennis, coding and robotics.

**NO CUBS AFTER SCHOOL NEXT WEEK**

Jane Carson
